THRU : Gertrude W.K. Nyaley *GWK Nyaley*  
**TECHNICAL MANAGER/Community Forestry FDA**

FROM : Jennifer O. Belepea *PPJOB*  
**ASSISTANT PLANNING OFFICER/Community Forestry FDA**

Subj : **NO THIRD PARTY OBJECTION TO SESRR AND PRELIMINARY DEMARCATION RESULTS**

Date : September 16, 2018

In line with the Regulations to the Community Rights Law, the Forestry Development Authority through the Community Forestry Department posted results of Socio-Economic Survey and Resource Reconnaissance (SESRR) and preliminary demarcation of the **MARBON APPLICANT COMMUNITY FOREST** on July 15, 2018. These results remained posted for thirty(30) days to enable inhabitants and residents of Marbon applicant community forest and adjoining communities (or other third parties) express any concern, including objection to the destination of the area in the map as Marbon Applicant Community Forest.

No Objection was made or received during the thirty (30) day period which ended on August 15, 2018, 2021. The FDA therefore has no objection to investigate or act upon.

Considering this condition of no objection, complaint or disagreement against the designation of the area mentioned in the map and Survey results as Marbon Applicant Community Forest, we herein acknowledge the completion of step seven (7) – Third party objections that arise from the posted results of the Survey and Preliminary Demarcation of the required process for the establishment of Community Forest according to Chapter 2 section 2.10 of the Amended Regulations to the Community Rights Law – and recommend that Marbon Applicant Community moves to the next step.

Best regards.
