

The community forest usages will be divided in two parts; one part will be used for commercial activities which will generate revenue for the community hunting, mining, construction material etc. The community also depends on the forest for their livelihood such as farming, The maintain in keeping with the community rights law of 2009 and its regulation, we wish to manage, sustain and control the forest legally, so the ecosystem can benefit the community.

The forest area is composed of many features such as rivers, wetland, primary and secondary vegetation etc.

The Chedepo forest has over 40,000 hectares of forest land and is surrounded by the following towns: Chedepo Jarakken, Killepo Turoken, Potupo Juwelbo, Potupo Gbaduiach, Potupo Pennokken, Geapo Podrokken, Konabo, Grand Gedeh and Townabo, Grand Gedeh County.

We the citizen of Chedepo district write to apply for authorized forest community status in compliance with the community rights law with reference to the forest land of 2009 and its regulation of 2011. As owners of this forest we will like to manage the forest in collaboration with the FDA for the sole purpose of developing our community.
