DEMARICATION RESULT**

Date: March 30, 2022

In line with the regulations to the Community Rights Law, the Forestry Development Authority through the Community Forestry Department posted results of Socio-Economic Survey and Resource Reconnaissance (SESRR) and preliminary demarcation of the TCHIEN MENYEN APPLICANT COMMUNITY FOREST on March 25, 2022. These results remained posted for thirty (30) days to enable inhabitants and residents of TCHIEN MENYEN Authorize Community Forest and adjoining communities (or other third parties) to express any concern, including objection to the destination of the area in the map as TCHIEN MENYEN Authorize Community Forest.

No Objection was made or received during the thirty (30) days period which ended on MARCH 24, 2021. The FDA, therefore, has no objection to investigation or act upon.

Considering this condition of no objection, complaint, or disagreement against the designation of the area mentioned in the map and survey results as TCHIEN MENYEN Authorize Community Forest, we herein acknowledge the completion of step (7)-Third-party objections that arise from the posted results of the survey and Preliminary Demarcation of the required process for the establishment of Community Forest according to Chapter 2 section 2.10 of the Amended Regulations to the Community Rights Law-and recommend that TCHIEN MENYEN Authorize Community Forest moves to the next step.

Best regards,
