SUBJ : Field Report from Community Forest Elections for  
**Chedepo** Applicant Community, Rivergee

Date: March 26, 2021

This report under review covers activities marking the setting up of the Community Assembly and its Executive Committee in **Chedepo** applicant community forest in fulfillment of step eight(8) of the CRL and its Regulations. The Election was held on March 23, 2021 in Jarkaken Town. Herein is an attachment of the report to be perused.

## **Background/Introduction**

According to the Community Rights Law Regulation of 2017 (Chapter 3 Section 1, 3, 4 and 7), powers to lead and govern an Authorized Forest Community shall be through the establishment of a Community Assembly (CA). The Community Assembly shall be the highest decision-making body of the community with respect to community forestry. The Community Assembly members shall be elected by their various constituencies through a secret ballot. The Authority which is the Forestry Development Authority (FDA) shall supervise the election of representatives to the Assembly and its leaders. Representatives of at least two civil society organizations shall be invited to witness the elections and validate that they have been undertaken in a free, fair and transparent manner.

After successfully completing step 7, the Chedepo Applicant Community informed the Authority of their readiness for step 8(Governance). Due to budgetary and other constraints, the FDA provided them the necessary awareness about the elections process and gave them the go-ahead to conduct elections at the town level and elect at least two delegates from each of the 26 towns for representation at the Community Assembly. They completed this process in March 23-24, 2021 and officially informed the Authority.

To this effect, the FDA sent a Team comprising the Manager, Extension Services & Mobilization and Civil Society representative, Tenneh K. Subah (WA) to the Chedepo Applicant Community Forest on March 26-27, 2021 to conduct elections for the Community Assembly and the Executive Committee of the Assembly, and to create adequate awareness for setting up of the Community Forestry Management Body (CFMB). The elections were held on March 27, 2021 at the Jarkaken Town, Chedepo District.

Each Community was represented by two persons who automatically qualified to represent them on the Community Assembly with the acceptance of Jarkaken who had three representatives on ground that it is their district headquarters. Madam. Gray conducted a roll call to verify the presence of the delegates. Each community correctly answered yes to their name. He read to them affirmation statements that they responded to with a "yes". Date: April 4, 2021

This report under review covers activities marking the setting up of the **Community Forestry Management Body (CFMB)** of **Chedepo** applicant community forest in fulfillment of step eight(8) of the CRL and its Regulations. The Election was held on March 30, 2021 in **Jarkaken Town**, Chedepo Statutory District, Rivergee County. Herein is an attachment of the report to be perused.

## Background/Introduction

According to the Community Rights Law Regulation of 2017 (Chapter 3 and 4 Section), powers to lead and govern an Authorized Forest Community shall be through the establishment of a Community Assembly (CA) which shall be the highest decision-making body of the community with respect to community forestry and shall be elected by their various constituencies through a secret ballot. This CA shall elect its Executive Committee which shall in turn recruit, select and appoint the five-member Community Forestry Management Body based on pre-determined criteria. The selection and appointment of the CFMB members shall be fair and transparent and be supervised by the Authority in the presence of Civil Society representatives.

After the successful setting up of the Community Assembly and its Executive Committee, the CA of Chedepo Applicant Community Forest was left to recruit and select five-members of the CFMB. After soliciting applications, screening and selecting the five members, the CA through its EC informed the FDA that it was ready to present the results of the recruitment to the Assembly and FDA and to proceed therefrom with election of the Chief Officer, Secretary and Treasurer of the CFMB.
