

A. Forest Plants with high economic and multipurpose importance in your community

	Common Name	Tree/ Shrub/ Herb...	What is the Most Important part of the Plant?	What is this Plant Used for?	What Other Uses Does this plant have?
1	Country spice	tree	Seed & bark	Construction and medicine	Eating and pumping
2	Wild nut	tree	Nut	food	construction
3	Worlof	tree	Nut	food	
4	Zuon	tree	Fruit	food	
5	Monkey apple	Herb	Fruit	food	
6	Griffonia	herb	Seed	Medicine	
7	Bush cola	tree	Nut	Food	
8	Bitter cola	tree	Nut	Food and medicine	
9	Cotton tree	tree	timber	Construction	
10	Abura	tree	timber	Construction	
11	Niangon	tree	timber	Construction	
12	Fragmira	tree	timber	Construction	
13	Iroko	tree	timber	Construction	

14	Ekki	tree	timber	Construction	
15	Piassava	tree	Several local materials	construction	Wine for drinking

B. Forest animals with high social economic and biodiversity importance in your community

	Primates (e.g. Diana Monkey)	Duikers	Rodents and Small Mammals (e.g. Rabbits, Mouse, Bats)	Reptiles (e.g. snakes)	Elephants, Cats and other large mammals	Fish	Moths and Butterflies; Beetles	Birds
1	Bamboo	Mountain deer	Color Rat	Black snake	Bush cow	Catfish	Honey bees	Eagle
2	French monkey	Red deer	Ground hug	Cassava snake	Hippo	Leopard fish	House flies	Blue wing
3	Color monkey	Foolish deer	Porcupine	Boa constructor	Bush hug	Electric fish	Butter flies	hornbill
4	Lion monkey	Black deer	Opposiuon (bush rat)	Green snake	Leopard	Tilapia	beetles	
5	Ants eater	Black back	Head hug	White tail snake	Elephant			
6	White nose monkey	Antelope	Duke		Air deer			
7	Lady monkey	Claver deer	Ground squirrel		Giant			

					pangolin		
8	Softly-softly						
9	Tree squirrel						
10	Bush goat						
11							
12							
13							

6. THREATS TO COMMUNITY FORESTRY BIODIVERSITY - AN ESCAPE

A. Importance of threats within the proposed Community Forest

	Type of Threats	Immediate Impact on the Forest Environment	Who is doing it?	Who is Authorizing it?	Where is it happening?
1	Encroachment of Settlements	Deforestation and forest degradation	The community people	Land lords and chiefs	in most bigger towns of the community
2	Concession Mining	N/A	N/A	N/A	N/A
3	Concession Agriculture	Deforestation and forest degradation	The community people	The community people	Gorlue
4	Concession Forestry	N/A	N/A	N/A	N/A
5	Charcoal Production	Deforestation and forest degradation	The community people	No one	Salayea and Gorlue

6	Unregulated Fishing	Running waters dead and empty	The community people and people from outside	No body	Gorlue
7	Cross-border Encroachment	Deforestation and forest degradation	People from Guinea, Bong county and other parts of Lofa	No body	Palama, Vavala and Gbalin
8	Unregulated Bushmeat Trade	Greatly reducing our animal population	People from inside and outside the community	Chiefs, land lords, even the community people themselves	It is happening all over the community
9	Unregulated Chain Saw Use	Deforestation and forest degradation	Mostly people from outside the community	The chiefs and elders	In all the towns that are accessible by motor road
10	Shifting Cultivation	Greatly depleting and degrading our forest	All the community people are involved	All of us	All over the community
12	Coffee and Cocoa	Do not have much impacts on the forest as it is carry out on farmlands	Ourselves, people of the community	No one, as it is done on individual farmlands	All over the community
13	Rubber Plantations	Do not have much impacts on the forest as it is carry out on farmlands	Ourselves, people of the community	No one, as it is done on individual farmlands	All over the community
14	Sugar Cane Plantation	Do not have much impacts on the forest as it is carry out on farmlands	Ourselves, people of the community	No one, as it is done on individual farmlands	Salayea and Gorlue
15	Private Oil Palm Plantations	Do not have much impacts on the forest as it is carry out on farmlands	Ourselves, people of the community	No one, as it is done on individual farmlands	All over the community as people are seriously getting involved
15	Artisanal Mining Activities (Gold, diamonds, etc.)	Destroying our forest	Ourselves, people of the community and outsiders	LME, chiefs and the land lords	Salayea and Gorlue

DECLARATION

We the undersigned, having participated in the above Socio-economic and Reconnaissance Survey and reviewed its content, herewith register our endorsement that this is a true representation of the community's view. We now affix our signatures, with the understanding that the results will be validated with the wider community comprising the applicant community.

Signed: Community Members;

	Name	Position	Signature	Date
1.	Samuel T. Supu	Chairman	_____	March 6, 2017
2.	Togbah Y. Kennedy	Member	_____	March 6, 2017
3.	V. Vesselee Wymon	Youth President	_____	March 6, 2017
4.	Esther Massaquoi	Women Leader	_____	March 6, 2017
5.	Joseph Forkpah	Town Chief	_____	March 6, 2017
